Communities through **High-Impact Solutions**

About this Skills Programme

SAQA Qualification ID:

SP-NC-BCC-MAS-3-E-36

Minimum Credits:

36

NQF Level:

3

Duration:

This Qualification is run over 4 weeks

Type of course

A credit bearing CETA registered skills programme offered on a full-time basis over 4 weeks.

Purpose of the course

To train new entrants and experienced construction industry stakeholders, through exposing them to skills such as preparing the work area, selecting and maintaining tools, using appropriate equipment, building and finishing foundation walls and damp proofing. This will enable successful delegates to start their own business in Bricklaying.

Course outline

Learners accredited with this course will be able to set out, excavate and cast concrete strip foundations, build foundation walls, build door frames as well as install and build window frames.

Entry requirements

Communication and Mathematical Literacy at NQF Level 2.

Course Programme

| Unit Standard | Title | NQF Level | Credits |
|---------------|---|-----------|---------|
| 14662 | Set out, excavate, cast concrete strip foundations and build foundation walling | 3 | 6 |
| 261659 | Build masonry superstructures using solid units | 3 | 20 |
| 261663 | Build masonry superstructures using concrete hollow units | 3 | 10 |

Upon successful completion of the course, the learner will be proficient in the following areas:

- Setting out, excavating and casting concrete strip foundations and building foundation walls.
- Preparing the work area and selecting, using and maintaining tools, equipment and materials.
- Building walls, building doorframes, installing and building window frames.
- Marking off, positioning and building roof anchors (tie downs).
- Building ancillary walls to the complete structure.
- Cleaning brickwork and clearing the building site.

Assessment method

To monitor the progress and effectiveness of the learning throughout the training continuous assessments (formative) are carried out by way of written tests and practical assignments.

ACCREDITATION AND B-BBEE

CBM Training holds full institutional accreditation status with the Services SETA – accreditation number 0057.

CBM Training has a B-BBEE Level 2 certificate. We have been evaluated and audited by the BEE Verification Agency.
